

*Hatfield*  
ORIGINAL

ORIGINAL HATS MAKER SINCE 1928

## Who are we?

---

Welcome to the world of Hatfield Original, the benchmark in caps for decades. Our unparalleled craftsmanship translates into products of exceptional quality, designed with unwavering attention to detail.

At Hatfield Original, every cap is the result of meticulous selection of top-notch materials, ensuring optimal comfort for those who wear it. Our timeless vintage style is taken to a whole new level, captivating cap enthusiasts and fashion aficionados alike.

Each creation is meticulously thought out, no detail is left to chance. Dive into the world of Hatfield Original and discover the refinement of our products that will enchant cap lovers.

### **Premium in every detail**

---

High-quality, intricate embroidery, a unique snapback closure with embossing, a terry cloth sweatband for unparalleled comfort. Ultra-soft and comfortable premium mesh, an authenticity hologram, a wide variety of materials including velvet, leather, corduroy, and denim. Premium sublimation printing for a top-notch finish. Every element is carefully designed to make these caps exemplars of quality.

## «Wild Life» Collection

---

Every individual can find in an animal a representation of their personality, whether it's strength, wisdom, ingenuity, humor, and much more. In the 'Wild Life' collection, everyone will discover a trait that corresponds to one of these animals.
